2009-2010 Division E Governor
2008-2009 Area E1 Governor
2007-2008 Hsinchu Toastmasters Club President

Justin Wu joined Toastmasters more than 10 years ago since he was a freshman in college. At that time, he didn't join a campus club, but picked the only community club in that city – Hsinchu Toastmaster Club. After joining, he started to serve as club sergeant at arms, club vice president membership, club president. Then he even served as area governor, and became the youngest division governor in Taiwan. As division governor, he coordinated many outstanding events enjoyed by members, and also at the end of his term, the division officers and club presidents held a special division discharge and installation ceremony for him.

Justin feels that Toastmasters is just like his second family. Since he learns and grows in this organization, it is the longest place he stays in, more than any school life he has had. He believes in, "the more you give the more you receive," and he devotes a lot into this non-profit organization with full passion. He is currently serving as 2016-2017 Toastmaster International District 67 Public Relations Deputy Manager. He has utilized his public relations professional and creative ideas to create many public promotions or interesting events via news media, radio, Facebook, LINE and more.

吳亮東會友經常與我們分享，國際演講協會彷彿就是他第二個家，這個組織是充滿溫馨與富有學習成長養分的大平台，培育出很多優秀與傑出的領導人才。

Swim Across Sun Moon Lake

by Eric Liang DTM, PDG 2014-2015

Sunday, September 4, 2016, I finished my 11th swim across the Sun Moon Lake. We had a team of 5 but only 2 entered the water. This year, the experience was a special one. We registered early, we reported early, we stood in line at the lakeshore early, AND entered the water EARLY!!

Early in the lake means you won't be in a dumpling pot. You could enjoy a wider water zone as your territory, you won't get tangled up with others, or be lead to swim zigzag. A lot of people got lost with no sense of direction when they got into the water. They swam in a zigzag path. They swam leftward first then rightward, then leftward again never knowing where to swim to.

Over the years of participating, I appreciated the opportunity to learn how to set a direction guide with a mountain peak at the distance and swim toward it.

If you swim, you might be lazy sometimes and made the water 'tasty'. While swimming across the lake, it was inevitable that you would have the need to 'relieve' yourself. Although it was hard to do that while swimming, trust me a sophisticated swimmer could make it happen. Early in the water means we had less polluted water than those in the back.

Early in the water means the sun was still in a low horizon at 7 a.m. The heat had not built up yet. Years ago, my wife once participated in this event.

We got into the lake after 10 o'clock in the morning. It took her more than 2 hours to complete the route. Her arms and legs had permanent marks for more than one year before it faded away. Early in the water means ladies won't be Bar-B-Q'ed.

Last year, my wife was mad at me because I swam in the lake with a bad cough though I promised her before I left the house at 3 a.m. that I would be a driver only and that I would not touch the water. But, I could not help myself when I saw the lake. I did not keep my word. I entered the lake. Knowing that I would be in trouble, my team member, Fiona, stood up for me using her cellular phone to prove that the lake water can cure the cough because her lake-water-soaked cell phone was voiceless. This year, somebody left a shiny female yellow shirt at the back seat of my car. When my wife asked me about the lady's shirt at my back seat after she cleaned my car, I was voiceless. I thought my permission to swim would be suspended. I was lucky my wife accepted my offer to take her out the next day. If it was a skirt, I might be a backpacker wondering on the road now.

Swim across the lake was fun. If you could swim 100 meters, you could swim 1,000 meters.

If you could swim 1,000 meters, 3,000 meters across the lake would be a piece of cake to you. I would like to invite you to go together next year. David Chen, who has been a spectator for two years, promises that he will get himself ready for the next year. Let me know by email if you are interested to go (sciplano@ms19.hinet.net).

“Do all the good you can, to all the people you can, in all the ways you can, as often as ever you can, as long as you can.”— Charles Haddon Spurgeon

I joined Toastmasters nearly fifteen years ago. In the first ten years, I was a earnest Toastmaster. I never said no to any assignment, no matter in club, area, division or district. I grabbed every learning opportunity through attending conferences. As a big fan of Toastmasters, I went to Toronto to attend the international conference in 2005. During my Toastmasters career, I have made a lot of friends and learned a lot from them. The public speaking and leadership skills that I leaned from Toastmasters helped me a lot in my professional career. It became a piece of cake for me to speak in public and conduct meetings.

加入Toastmasters將近十五年了，前十年扮演著一個熱心的Toastmasters。分會裡的各種幹部都擔任過，也從來沒有錯失每年春季與秋季大會學習的機會。甚至像一個追星族一樣，跑到加拿大多倫多參加世界總會。孔子說“三人行必有我師”，十五年來在演講會我交了許多朋友，大家的專業知識都不吝分享。這樣的學習與鍛鍊，讓我在工作上更得心應手，公開的演講與會議的主持都難不倒我。如此，在我的職涯生存了三十五年。

Two years ago, I retired from my teaching job. I decided to return to Toastmasters after being absent for a while. I deeply appreciate Eric Liang, District Governor 2014-2015, who gave me an opportunity to practice servant leadership as District Secretary. I realized that in the Toastmasters journey, we learn and lead, we accept and give back. It's time for me to give back to DMHS, especially as the school supports Toastmasters so much. It provides the venue for Toastmasters officers' training & classrooms for regular club meetings. That's why I chose DMHS to conduct the Youth Leadership Program.

Starting the Program and the Preparation
Soon after I announced my intention to start YLP in DMHS, I got full support from my club, Ovation Advanced TMC. I also got support from 5 DTMs as Program assistant coordinators. They are Amy Wang, Doris Liu, Grace Shih, Simone Nash & William Lai. We met and discussed how to conduct every session of YLP and distributed assignments to each coordinator. At the same time, I ordered YLP material from Toastmasters International. In September I went to the school to get English teachers' recommendations for student participants. Within a short time, fifteen students applied for the Program.

兩年前我退休了!開始回到演講會專心的服務與成長。當時總會長Eric Liang更讓我擔任總會秘書長的職務,讓我領略到服務領導的重要。除了尋求自己的成長,更應該讓我們的經驗回饋社會,也算是回饋學校多年來出借教室給分會的例會使用,並提供會議室給演講會作幹部訓練及開大會使用。因此,我選擇了我熟悉的環境,為中學生開設一個青年領袖營。

開始及準備工作

當我把我的想法在分會(黑馬進階雙語演講會)提出,便得到所有會員的支持,更很輕易的獲得五位資深會員(Amy Wang, Doris Liu、Grace Shih、Simone Nash、William Lai)的協助共同經營這青年領袖營。九月開學,我與學校相關單位洽談,獲得他們認同我的理念並開始向學校英文老師說明及推薦學生參加。不到兩個星期,招募了十五位已經通過全民英檢的高中生報名參加。另一方面,我也必須和另外五位共同主持人開會討論整個青年領袖營的進行方式及大家的任務分配。同時間我也向美國總會購買教材證書及感謝狀。

YLP Coordinator: Catherine Chang

1st half program's four officers (from center left to left – Daniel, Sunny, Ben, Angel)
2nd half program's four officers (from center right to right – Connie, Hedy, Jarvis, Janie)

What students learn

The Youth Leadership program is a workshop, designed to be conducted in eight sessions.

Session 1: Introduction to Chairmanship

Session 2: Introduction to Public Speaking

Session 3: Impromptu Speaking

Session 4: Organizing your Speech

Session 5: Listening

Session 6: Gestures in Speaking

Session 7: Voice and Vocabulary

Session 8: Show your Skill

Plus a special 'graduation event' at the end.

Students learn how to prepare and present a speech, conduct meetings, listen effectively and evaluate what they have heard. By the end of eighth session, they'll have developed self-confidence and interpersonal communication skills that they will use for the rest of their lives.

Conclusion

The Youth Leadership Program is an informal course in the art of communication and leadership. In the process, all coordinators learn more and all students have fun while learning and making new friends. "Teaching benefits teachers and students alike". Youth Leadership forces coordinators to be prepared, not only as a speaker but also as a teacher. Such skills have direct application in our professional careers. By participating in the Youth Leadership Program, students will learn speaking and leadership skills that they will be able to use for the rest of their life

Comments from Assistant coordinators

"It's really a new experience for me to be an assistant coordinator. We can find all students like to join the program, take assignments and involve themselves in the roles. They are really sweet and lovely. I like to join in the learning with them especially to feel the young and joyful atmosphere. Thank you YLP of Toastmasters."

---William Lai, DTM

Comments from Assistant coordinators

"I joined the YLP team to gain experience in this excellent educational program for young people. I have truly learnt much more than I expected and feel very fulfilled and grateful to have this opportunity to give back to the community."

---Simone Nash, DTM

學生們學到什麼

青年領袖營是一種工作坊，設計成八次的集會(每次兩小時)。學生們利用下課後的兩小時，而共同主持人則利用下班後的時間志願到場帶領學生們循序漸進的學習演講會的各项技巧。

八次的內容分別是第一次:主席職務的介紹，第二次:公開演講的介紹，第三次:即席演講，第四次:好的講稿組織，第五次:傾聽，第六次:演講中的動作，第七次:聲音及用詞，第八次:技能展現，最後一次則是舉辦一個發表會。這樣的課程可以幫助學生們增進了自信心及他們以後人生中與人互動的技巧。

結語

在整個青年領袖營中，所有共同主持人不僅是演講者也是一位老師，在資料的搜集、整理及準備投影片的過程也是一種再次的自我學習，真是所謂"教學相長"呀!我們看著年輕人一次比一次進步，克服了緊張、充滿了自信、能夠聆聽並給同學正向的肯定與建議、也能夠主持小組討論與主持會議，我們心中的喜悅真是難以形容，也理解了這套課程計畫帶給年輕人實質的幫助，很值得推廣!
